Nonprofit Montgomery's Tools to Thrive Expo

Where nonprofit leadership, innovation, and community come together.

Sponsorship & Exhibitor Information

In 2025, we held our inaugural Tools to Thrive Expo featuring 27 exhibitors and just over 100 attendees, marking the launch of the 2025 State of Nonprofits in Montgomery County Report.

This year, we're growing our impact with:

- A ticketed luncheon featuring inspiring speakers on the future of the nonprofit sector
- Interactive learning workshops
- 30 exhibitor spaces in a central, high-traffic location
- Expected turnout of 150–200 nonprofit staff & leadership, board leaders, and local government, business and education partners
- Expanded outreach to nonprofit organizations in Prince George's County, Howard County, and other nearby jurisdictions, reflecting our commitment to regional collaboration and impact

This is the premier gathering of Montgomery County's nonprofit ecosystem—and a unique opportunity to connect with those shaping the region's future.

As a sponsor or exhibitor, your presence is essential to helping Montgomery County's nonprofits thrive. This packet includes everything you need to participate in the 2026 Tools to Thrive Expo—and to make the most of your visibility, impact, and connection with the region's nonprofit leaders.
